### **Job description**

Finger Lakes Power Systems is seeking an experienced and reliable Technician with a diverse employment background in the construction trades to join our team. We are a year-round operation that offers full-time employment (4 10-hour days Monday – Thursday) with occasional voluntary Fridays, and without the seasonal slowdowns and layoffs that typically occur with many traditional construction jobs. We are an equal opportunity employer that provides paid training, encourages diversity within our team, and values employee involvement.

We offer competitive pay rates and a comprehensive benefits package, including health, dental & vision insurances, retirement savings options, performance bonuses, and paid time off.

### **Requirements:**

- A valid driver license with experience safely hauling enclosed and open trailers, heavy equipment, etc.;
- Comfortable with heights/elevation, i.e., able to work on rooftops;
- Experience operating heavy equipment such as skid steers, mini-excavators, trenchers, forklifts and/or other lift equipment;
- Experience with electrical work and codes is a plus;
- Proven record of reliability/dependability/timeliness;
- Ability to work independently or as part of a team;
- Safety-minded approach to completing assignments;
- Team mentality, willingness to collaborate with others to complete projects to spec and by deadline.

If your skills and experience make you a good fit for this position and you're looking for a change in work environment, a job where every day is a little bit different than the day before, and an opportunity to contribute to the success of our team, please apply with your updated resume here, or find our basic online application at <https://fingerlakespowersystems.com/aboutus>
