## FLX Services Hosts FLX Chamber March BAH

Manchester – The Finger Lakes Area Chamber of Commerce held its March Business After Hours Networking Mixer on Wednesday, March 11, at FLX Services' newest location, Exit 43 Truck Wash, at 28 Center Street in Manchester. Owned and operated by Ryan Boak, the business was named after where it is situated, off Exit 43 of the NYS Thruway, and provides cleaning services for both personal and commercial vehicles as well as fleets. FLX Services was founded in 2021, and in addition to providing mobile truck washing, detailing, and surface protection services, such as ceramic coating, it offers mobile, truck, RV, and boat detailing services to a wide range of clients throughout the region.

The networking event was part of the Chamber's 2026 Business After Hours Season Pass Program. Throughout the event, attendees took tours of the wash facility, spoke with the owner and employees, and enjoyed refreshments. During the event presentation, attendees learned that the facility space is large enough to accommodate vehicles of all sizes, from passenger cars and campers to full tractor-trailers, commercial fleets, agricultural equipment, and more. Boak also shared information about Chosen Spot Detail Products, which offers detailing chemicals and supplies to professionals and businesses across the region, and also features a Mobile Showroom Trailer, which was on display at the event.
