The Finger Lakes Area Chamber of Commerce hosted its October Business After Hours Networking Mixer on October 14 at Finger Lakes Power Systems in Penn Yan (https://www.fingerlakesdailynews.com/local/penn-yan-ny/).

Located at 3333 Skyline Drive, the event gave Chamber members a behind-the-scenes look at the business's warehouse space, with wine from Fox Run Vineyards and food from Keuka Lake Farm Market.

Finger Lakes Power Systems traces its roots to QwikSolar, where Dan Lewis became a partner in 2014 before acquiring sole ownership in 2017. An experienced electrician and native of the region, Lewis guided the company's transition into a full-service electrical contractor specializing in solar arrays, battery storage, and automatic standby generators.

Today, the company serves residential, commercial, and agricultural customers throughout the Finger Lakes region, offering turnkey electrical solutions and custom off-grid systems.

During the presentation, Lewis discussed the company's growth over the years and current industry trends while thanking his employees for their dedication and hard work.

Fox Run Vineyards owner Scott Osbron spoke about changes in the wine industry, the importance of working with community partners to encourage growth, and the value of investing in marketing.

Finger Lakes Area Chamber of Commerce President Miranda Odell concluded the presentation by thanking attendees and highlighting the Chamber's approach to offering behind-the-scenes tours of businesses that customers don't typically have an opportunity to explore, particularly trade-based businesses.

The Chamber's next Business After Hours Mixer will take place Wednesday, November 18, from 4 to 6 p.m. at N-Hance of the Finger Lakes, located at 9 East High Street in Shortsville (https://www.fingerlakesdailynews.com/local/shortsville-ny/).

Reservations are required. Admission is $10 for Chamber members and $20 for non-members, unless attendees have purchased a Business After Hours Season Pass. The event is included for all 2026 Season Pass holders.

For reservations or additional information, contact the Chamber at info@flxchamber.com (mailto:info@flxchamber.com) or call 315-789-1776.

Business After Hours mixers are generally held on the second Wednesday of each month from 4 to 6 p.m., unless otherwise noted, and are open to the public. Hosting opportunities are available to qualified Chamber members who have been customers for at least two years.
